Introduction:

About the poet: The poem “Abandoned” has been composed by Dr. Suraya Nasim. Dr.Nasim writes straight from the heart. It has no fixed pattern. It doesn’t follow any particular rule. The poems come as a flow. Her poems are simple and easy to read and hopefully easier to understand. English was one of her favourite subjects in school along with science. Her poems were nominated for the Booker Award in 2013.

About the poem: The poem “Abandoned” is a sad tale of a baby who has been abandoned by his parents. In this poem we would see how the baby was left in the garbage bin to die in the eerie silence of the night.
