- (i) highly exaggerated.
- (ii) too remarkable to be true.
- (iii) not based on facts.

**Answer:** (ii) too remarkable to be true.

2. **Complete the following sentences.**

- (i) *An ant is the smallest, tiniest, wisest and commonest insect that we have seen. The story of an ant's life is almost untrue.*
- (ii) *We know a number of facts about an ant's life because it the commonest insect that we have seen around since our childhood.*

### **3. In what ways is an ant's life peaceful?**

**Answer:** An ant's life is peaceful in many ways. An ant's life is a great example of teamwork, discipline and dutifulness. Ants live in anthills. Each group of ant has their different rooms and barracks. The duty is shared in each group of ants. They do their shared and assigned work intelligently, bravely and there is no interference. None of them fight with other members of the group. Even the grubs are taken proper care. None of them has ever harmed any grub. So, we can say that an ant's life is a peaceful one.
