

## Chapter 1

### Questions And Answers (Part 2):

**1. The camel said, “Humph” repeatedly. How did it affect him?**

**Answer:** The camel repeatedly said “Humph” even after the Djinn warned him not to say. And the moment the camel repeatedly said “Humph” his beautiful back which he was proud of puffed up and up onto a great big hump.

**2. What according to the Djinn, was the use of the “humph”?**

**Answer:** According to the Djinn, the “humph” had a purpose. The camel can work for three days without eating because he can live on his humph.
